(f) In authorizing the issuance of the Bonds pursuant to this Agreement, the County will make no warranty, either expressed or implied, that the proceeds of the Bonds will be sufficient to pay all costs of the Project.

This Delegation Agreement is by and between the County of Montezuma, Colorado (the "County") and La Plata County, Colorado ("La Plata County"). In consideration of the premises and of the mutual agreements herein contained, the County and La Plata County agree as follows:

1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this Delegation Agreement are the following:

   (a) The County and La Plata County are political subdivisions of the State of Colorado, each authorized by the provisions of the County and Municipality Development Revenue Bond Act constituting Article 3 of Title 29, Colorado Revised Statutes (the "Act"), to issue single family mortgage revenue bonds to finance, refinance, acquire, own, lease, improve and dispose of one or more projects, including any land, building or other improvement and all real or personal properties suitable or used for or in connection with residential housing facilities for low- and middle-income families and persons, upon such terms and conditions as the Board of County Commissioners of the County may deem advisable.

   (b) Pursuant to Sections 29-3-104(2) and 29-4-806 of the Colorado Revised Statutes, the County may irrevocably delegate to La Plata County, or to such other county or municipality as may be authorized by La Plata County, its authority to issue single family mortgage revenue bonds prior to October 1, 1984 for the purpose of financing residential facilities for low- and middle-income families and persons.

   (c) La Plata County has the authority to issue $10,200,000 of its single family mortgage revenue bonds.

   (d) La Plata County is desirous of delegating its authority of issuing single family mortgage revenue bonds to Logan County, Colorado ("Logan County") for the purpose of financing residential facilities for low- and middle-income families and persons within the boundaries of the County, La Plata County and Logan County (the "Bonds").
(e) It is the finding and determination of the Board of County Commissioners of the County that the public interest will be served if the County were to encourage and induce Logan County and La Plata County to undertake the financing of residential facilities for low- and middle-income families and persons within the County.

(f) It is the finding and determination by both La Plata County and the County that during the first 60 days of the Origination Period (as defined in the Agreement) each borrower that is approved for a mortgage loan must have an Adjusted Income (as defined under La Plata County's single family mortgage loan program) which does not exceed $25,000 (as adjusted upward $2,000 per co-obligor and $2,000 per dependent) and thereafter each borrower that is approved for a mortgage loan must have an Adjusted Income which does not exceed $35,000 (as adjusted $2,000 per co-obligor and $2,000 per dependent) as more fully described and set forth in the Origination and Service Agreement dated June 1, 1984 among La Plata County and the participating lenders.

(g) La Plata County desires the County to delegate its authority and powers under the Act to it with respect to the Bonds.

(h) The Board of County Commissioners of the County has indicated its willingness to delegate to La Plata County its powers under the Act to finance residential facilities for low- and middle-income families and persons.

(i) The Board of County Commissioners of La Plata County has indicated its willingness to accept the delegation by the Board of County Commissioners of the County to finance residential facilities for low- and middle-income families and persons.

(j) La Plata County has indicated its willingness to proceed with and effect such financing in order to assist the County in the financing of residential facilities for low- and middle-income families and persons within the County and has advised the County that subject to due compliance with all requirements of law and the obtaining of all necessary consents and approvals and to the happening of all acts, conditions and things required precedent to such financing, La Plata County, pursuant to the Act, will delegate its authority to issue its single family mortgage revenue bonds to Logan County.
(k) La Plata County considers that the financing of residential facilities for low- and middle-income families and persons within the County and the entering into of the financing agreement (as defined in the Act) with certain participating lenders will be consistent with the objectives of the Act and will be economically beneficial to La Plata County and the County and its inhabitants.

2. Delegation by the County. Pursuant to the Act and Sections 29-4-803, 29-3-104(2) and 29-4-806 of the Colorado Revised Statutes:

(a) The Board of County Commissioners of the County hereby irrevocably delegates to La Plata County all authority of the Board of County Commissioners of the County to finance and otherwise take action and exercise power under the Act on behalf of the Board of County Commissioners of the County with respect to its authority to issue single family revenue bonds prior to October 1, 1984 for the purpose of financing residential facilities for low- and middle-income families and persons within the County.

(b) The Board of County Commissioners of the County agrees that it will take such further action and adopt such further proceedings as may be required to implement the terms of this Delegation Agreement.

3. Acceptance of Delegation by La Plata County. Pursuant to the Act and Sections 29-4-803, 29-3-104(2) and 29-4-806 of the Colorado Revised Statutes:

(c) The Board of County Commissioners of La Plata County agrees that it will take such further action and adopt such further proceedings as may be required to implement the terms of this Delegation Agreement.
(d) The Board of County Commissioners of La Plata County will authorize or cause to be authorized the delegation of its authority to issue and sell the Bonds.

(e) The Bonds shall specifically provide on their face that they shall be payable by a pledge of the revenues derived pursuant to the financing agreement (as defined by the Act) (except to the extent payable out of Bond proceeds and other funds or property, if any, pledged and mortgaged therefor), that they shall never constitute the debt or indebtedness of the County, La Plata County, Logan County or the State of Colorado or any political subdivision thereof within the meaning of any provision or limitation of the Constitution or statutes of the State of Colorado or of the home rule charter of any political subdivision thereof and that they shall not give rise to a pecuniary liability or a charge against the general credit or taxing powers of the County, La Plata County, Logan County, the State of Colorado or any political subdivision thereof.

(a) This Delegation Agreement is hereby declared irrevocable during the term of the financing agreement (as defined in the Act) to be entered into by Logan County with respect to the Bonds.

(b) This Delegation Agreement shall automatically terminate 12 months from the date hereof if Logan County has not entered into the financing agreement described in paragraph 4(a) above, provided that nothing herein shall be deemed to prevent La Plata County, Logan County and the County from entering into subsequent delegation agreements with respect to the Bonds upon the termination of this Delegation Agreement.

(c) This Delegation Agreement shall not constitute the debt or indebtedness of La Plata County, Logan County or the County within the meaning of the Constitution or statutes of the State of Colorado nor give rise to a pecuniary liability or a charge against the general credit or taxing powers of either La Plata County, Logan County or the County.
IN WITNESS WHEREOF, the parties hereto have entered into this Delegation Agreement as of this 21st day of May 1984.
