INTERGOVERNMENTAL AGREEMENT
911 EMERGENCY TELEPHONE SYSTEM
MONTezUMA COUNTY - STATE OF COLORADO

THIS AGREEMENT is made and entered into this 10 day of April, 1983 by and between the undersigned public agencies and governing bodies. The parties hereby create a separate legal entity to be known as the Emergency Telephone Authority.

WHEREAS, pursuant to Article 11 of Title 29, C.R.S., as amended, said parties are delegated the power to enter into agreements for the purpose of providing emergency telephone service, and;

WHEREAS, it would serve the public welfare and be in the best interests of all of the said parties to participate in the organization, administration and common use of an emergency telephone service authority.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties agree as follows:

I. GENERAL PROVISIONS: The parties hereby create a separate legal entity hereinafter referred to as the "Authority" which shall be responsible for administering the operation of the emergency telephone service system within Montezuma County as described below.

II. EMERGENCY TELEPHONE SERVICE AUTHORITY BOARD: The Board of County Commissioners for Montezuma County shall be the governing board for the authority.

III. POWERS OF THE GOVERNING BOARD OF THE AUTHORITY: The Authority governing board shall be empowered to contract for the installation and operation of an enhanced emergency telephone service and shall pay such costs by imposing an emergency telephone charge within Montezuma County. Said charge shall be in an amount not to exceed the lesser of 2% of the tariff rate or $.50 per month per exchange access facility.

The authority governing board shall have the powers authorized by 29-11-101 through 29-11-104 C.R.S.

After initial installation of Emergency Telephone Service the governing board is specifically prohibited from expending funds to upgrade service without the prior approval of the majority of the parties to this agreement.

IV. FINANCIAL ADMINISTRATION: The monies collected by the Authority through the imposition of the telephone service charge will be placed in a designated cash fund separate and apart from the general fund of any of the parties to this agreement.
The monies paid into the Authority pursuant to the telephone service charge will be collected by the service supplier and remitted to the Authority as provided in Article 11 of Title 29, C.R.S., as amended, and the parties hereto will have no obligation to collect this telephone service charge.

No disbursement will be made from the funds of the Authority except by check and unless a verified claim for services or commodities actually rendered or delivered and directly related to the operation of the emergency telephone service has been first submitted and approved for payment by the Board of County Commissioners.

The Board may invest any funds paid into the Authority only in accordance with any applicable laws of the State of Colorado governing the investment of public funds.

V. BOOKS AND RECORDS: The Board will maintain adequate and correct accounts of its funds, properties and business transactions, which accounts will be open to inspection at any reasonable time by the parties hereto, their attorneys or their agents. The Board will cause an audit to be conducted annually by an independent certified public accountant licensed to practice in the State of Colorado.

VI. TERMINATION OF AGREEMENT: This agreement shall be in full force and effect as to the parties executing same upon execution and shall continue subject to amendments until terminated by a majority of the parties hereto.

Any party's participation in this agreement may be terminated by written notice from the party to the Authority at least one hundred eighty (180) days prior to January 1 of any year. Upon such termination such party will forfeit all right, title and interest in and to any property acquired by the Authority.

Upon termination by mutual agreement of a majority of the parties hereto, all credits of the Authority will be transferred to the parties hereto on a proportionate basis as to the services rendered to the parties under this agreement.

VII. AMENDMENTS: The agreement may be amended by the parties from time to time, but any amendment will be in writing and approved and executed by a majority of the parties hereto.

VIII. SEVERABILITY CLAUSE: If any provision of this agreement or the application hereof to any party or circumstances is held invalid, such invalidity will not affect other provisions or applications of the agreement which can be given effect without the invalid provisions or application, and to this end the provisions of the agreement are declared to be severable.

Mr. Thomas Colbert
Commission Chairman
Montezuma County
109 West Main
Cortez CO 81321

Dear Mr. Colbert:

On behalf of the Winter Games Development Committee, we respectfully request your county to join in endorsing Colorado and Denver's effort to host the 1998 Winter Olympics.

Through hosting the Winter Games, our entire state has an excellent opportunity to promote itself in both the national and international markets. Such earned media coverage will not only benefit the winter tourism industry, but also business and sports in general across Colorado.

At the same time we have an unequaled opportunity to promote Colorado, we all have the exciting occasion to promote our nation, its amateur sports program, and our wonderfully patriotic, committed young athletes of all levels.

The written bid proposal for selection as the national site must be made to the United States Olympic Committee, Site Selection Committee on May 1, 1989. Oral presentations will be made in early June, followed by a Committee decision in mid-June. Thus, time is critical to our success.

Already, Governor Romer, Denver Mayor Pena and other public officials have endorsed the 1998 bid. Our Colorado General Assembly, by an overwhelming vote of 99 to 1, passed a support resolution sponsored by House Majority Leader Chris Paulson (R-Englewood) and Senator Sally Hopper (R-Lookout Mountain). A copy is attached for your review.

The Colorado political leadership is uniting in a bi-partisan effort of support for the 1998 Winter Olympic bid. It is key that we demonstrate the solid Colorado support through all counties in our state.
