Said property is located at 20513 Road A, Cortez. Mr. Everman represented the application stating there is a fully executed lease with the family in place. He explained the tower will not require lighting. Comm. Rule moved to forward the high impact permit and special use permit to the Planning and Zoning Commission for the purpose of constructing and operating a multi-carrier wireless communications facility for T-Mobile on property owned by Bobby Watkins located at 20513 Road A, Cortez, seconded by Comm. Koppenhafer and carried. (See attached)

HIGH IMPACT PERMIT AND SPECIAL USE PERMIT application was presented for the purpose of constructing and operating a business known as Southwest Rockies Manufacturing LLC, a custom equipment shop for constructing skids, tanks, custom order trucks, and other similar equipment as proposed by this LLC, owner Curt Spurgeon. Said business will be located on a 35 acre parcel of land that will be split from 123 acres, more or less. The property is owned by Kevin Boss Wright located at 22965 Road F, Cortez. Mr. Spurgeon explained the business with the potential to employee 130 full-time employees. LeeAnn Milligan stated the
property in question is currently zoned as commercial industrial. Comm. Rule moved to move the high impact permit application to Planning and Zoning Commission for the purpose of constructing and operating a business known as Southwest Rockies Manufacturing LLC, owner Curt Spurgeon and the purchase of a 35 acre parcel from Kevin Boss Wright located at 22965 Road F, Cortez, seconded by Comm. Koppenhafer and carried. (See attached)

SETBACK VARIANCE: A variance to the setback from the Dolores River was submitted by Scott Twilley was presented. The property is located at 26641 Road 38.5. Dolores. It was stated there is an existing 900 +/- sq. ft. residence on the property which is approximately 20 feet from the Dolores River. Applicant is requesting to expand his residence by constructing 1000 +/- sq. ft of living space (living room). This expansion would be added to the east of the house, away from the river, and possibly consist of a second story. Sanitarian Melissa Mathews stated since no new bedroom space is being construction, she had no concerns with the septic. Mr. Twilly represented his application asking for a variance from the 100’ setback from the river. Comm. Rule moved to approve a variance to the setbacks from the Dolores River for Scott Twilly on property located at 26641 Road 38.5, Dolores to build to the east on to an existing structure which is going away from the river and for the building not to exceed 1000 sq. ft., seconded by Comm. MEETING ADJOURNED 4:00 p.m.

Clerk June 18, 2012 Chairman
STATE OF COLORADO )
COUNTY OF MONTEZUMA ) ss.

At the regular meeting of the Board of Commissioners, Montezuma County, Colorado, held on Monday June 25, 2012 at the courthouse in Cortez, Colorado, there were present:

Steve D. Chappell, Chairman
Larrie D. Rule, Vice-Chairman
Gerald W. Koppenhafer, Commissioner of Deeds ABSENT
Bob D. Slough, County Attorney
Ashton N. Harrison, County Administrator
Carol Tullis, County Clerk

7:00 a.m. The Board had a breakfast meeting with the Town of Dolores at the Ponderosa Restaurant

MINUTES: Commissioner Rule moved to approve the minutes of the Proceedings of the Board of Commissioners Montezuma County, Colorado dated June 18, 2012 as presented. The motion was seconded by Commissioner Chappell, and carried.

SHERIFF DENNIS SPRUELL AND EMERGENCY MANAGER PAUL HOLLAR updated the Board on the Weber Fire. Sheriff Spruell said the fire began as a type 3 fire and started on BLM ground. He discussed how the funding to fight this fire is being handled. He informed the Board that the first four hours is the County responsibility, the Governor approved the fire under the Fire Protection Plan. The State of Colorado took over and turned the fire management over to the Federal Government and went under FEMA. Paul Hollar stated he is pleased how the information got out quickly and the cooperation between all the agencies involved has been outstanding. He said local donations and help from the American Red Cross have been a great support. A local emergency declaration was asked for from the Board declaring the Weber Fire as a disaster.

CARMEN DILLE-HACHMANN with the American Red Cross said the ARC was activated on Saturday. She stated emergency centers were set up at the Performance Center in Mancos then moved to the Cortez High School. Ms. Dille-Hachmann said this fire has been combined with the State Line Fire which means funding goes into a national funding status and it will not cost the County anything from the ARC.

RESOLUTION: Comm. Rule moved to approve Resolution 2012-10, a resolution declaring the Weber Fire a local disaster emergency, second by Comm. Chappell and carried. (See attached)

ROAD: Road Supervisor Dean Roundtree informed the Board that the Department has been putting down mag-chloride paid for by Kinder Morgan. He discussed other road projects throughout the County. He said the
Department can’t do much due to the hot dry weather. Supervisor Roundtree said the Department sent water trucks to be on standby to the Weber Fire.

**BOARD OF SOCIAL SERVICES:** It being the time set aside, the Board of Social Services was conducted; Dennis Story and Lori Higgins were present.

**SENIOR TRANSPORTATION** contract was presented for signature. Sue Fletcher and Mary Holaday presented the senior transportation contract for renewal. Ms. Fletcher presented an e-mail regarding the Weber Fire from Wayne Walters. (See attached) Comm. Rule moved to approve the general funds and contract Title 3B, C-1, C-2, and E services between Montezuma County and San Juan Basin Area Agency on Aging, seconded by Comm. Chappell and carried. (See attached) A CDOT transportation contract was presented. Comm. Rule moved to approve the federal fiscal year 2012 FTA certifications and assurances for Federal Transit Administration Assistance Programs, seconded by Comm. Chappell and carried. (See attached)

**LIQUOR LICENSE** Deputy Tammy Neely presented an application from G Whil Liquors for a change of premise. Deputy Neely is asking the Board to set a radius to be canvassed and set a public hearing date. Comm. Rule moved to schedule a public hearing for a change of premise for G Whil Liquors for July 23, 2012 at 10:15 a.m. and to set a radius of ¼ mile for the canvass, seconded by Comm. Chappell and carried.

**LIQUOR LICENSE:** Deputy Tammy Neely informed the Board that Mr. McDonald owner of Mary Janes at Stoner has been cited for harboring a felon. She will be in contact with the State Liquor Board concerning the license.

**PLEASANT VIEW VINEYARDS:** A request from Pleasant View Vineyards was received for an alcohol sales permit for the Farmer’s Market. Elizabeth Bleak is asking for permission to conduct wine tasting and sales at the Farmer’s Market. She said all sales are for off-site consumption. Ms. Bleak is requesting a letter from the County as being the premises owners. Since the market is in the City limits of Cortez, they are the proper liquor licensing authority. Due to the absence of a commissioner, no decision was made at this time.

**BOARD OF PUBLIC HEALTH:** Health Director Lori Cooper presented a public health contract for signature. She said the contract is to amend the WIC contract decreasing the amount by $2,000.00. Comm. Rule moved to approve task order number 6, an amendment to decrease funds by the contractor, seconded by Comm. Chappell and carried. (See attached)

**FAIRGROUNDS MANAGER** Tanner Young said he got a call asking for the fairgrounds to be used as a staging facility. He explained what all is being done and what his department is doing to help in any way possible. Tanner explained the events scheduled have been cancelled for now. He said stalls are being set up for evacuated animals if needed. He said if there is anything needed from him, let him know.

**COUNTY ADMINISTRATOR** Harrison presented a letter from the Sheriff’s Office giving permission to construct a radio tower on Ute Mountain. He informed the Board ownership of the tower will be the Ute Mountain Ute Tribe’s in August. Comm. Rule moved to allow the Ute Tribe to install additional towers on Hermano Peak since ownership falls to the Tribe in August, seconded by Comm. Chappell and carried. (See attached)

**HOUSING SOLUTIONS:** Comm. Rule moved to sign a letter of support for the Housing Solutions of the Southwest for the single family owner occupied housing rehabilitation program by continuing to provide $1500.00 annually, seconded by Comm. Chappell and carried. (See attached)

**LUNCH:** 12:10
RANDY RODD met to discuss an off road event he wishes to hold on the Zwicker property where they previously had their permit which has expired. He wants to know what needs will be required by the County. It was stated a new public hearing should be held. Comm. Rule moved that because of history of previous events and permits at said location a public hearing be scheduled for July 9, 2012 at 2:00 p.m. for Randy and Cotton Rodd for the purpose of considering a high impact permit for an off road rock climbing event, seconded by Comm. Chappell and carried.

PLANNING: A high impact permit and special use permit application for the purpose of conducting aggregate mining operation on property owned by Richard M. and Casey McClellan and David E. Nelson. Said property is located at 32260 Road S, Dolores, and consists of 285 acres, more or less, of which 45 acres, more or less is proposed for use. Nathan Barton represented the application as the agent for Richard and Casey McClellan and David Nelson. He said this would be an amendment to State Reclamation Permit M-1990-025 at Hay Camp Pit. Mr. Barton said the amendment will not increase annual production from the Hay Camp Pit, but will extend the life of the pit by replacing land already mined, reclaimed, and released. Comm. Rule made a motion to move the high impact permit and special use permit for the purpose of conducting aggregate mining operations on property owned by Richard M. and Casey McClellan and David E. Nelson on to the Planning and Zoning Commission on the property located at 32260 Road S, Dolores, seconded by Comm. Chappell and carried. (See attached)

CORRESPONDENCE: The following correspondence was read, noted, and attached: Letter from Western Dairy Association.

MOTION TO ADJOURN was made by Comm. Rule, seconded by Comm. Chappell and carried.

MEETING ADJOURNED 3:15 p.m.

Clerk June 25, 2012 Chairman
At the regular meeting of the Board of Commissioners, Montezuma County, Colorado, held on Monday July 2, 2012 at the courthouse in Cortez, Colorado, there were present:

Steve D. Chappell, Chairman
Larrie D. Rule, Vice-Chairman
Gerald W. Koppenhafer, Commissioner of Deeds
Bob D. Slough, County Attorney
Ashton N. Harrison, County Administrator
Carol Tullis, County Clerk

MINUTES: Commissioner Rule moved to approve the minutes of the Proceedings of the Board of Commissioners Montezuma County, Colorado dated June 25, 2012 as corrected. The motion was seconded by Commissioner Koppenhafer, and carried.

ROAD: Road Supervisor Dean Roundtree said water was put on Road H. County water trucks and crews were dedicated to the Weber Canyon Fire which delayed watering roads. There are still 2 trucks at the fire site. He said oil is scheduled for the second week in August. Supervisor Roundtree said the Department will begin work on Road L and other roads this week. He said the crusher will be moved to the Mancos area.

ROAD H: Dr. Andy Romero did not appear.

EMERGENCY MANAGER Paul Hollar reported on the Weber Canyon fire stating there is about 80% containment and there are still hot spots but overall everything looks good. He informed the Board the cost was around 6 million dollars. He reported overall everything was well done. Manager Hollar expressed a big thank you to Administrator Harrison, GIS specialist Doug Roth and Fairgrounds Manager Tanner Young and the entire Board for all their support and cooperation.

RATIFY RESOLUTION #2012-10: Comm. Koppenhafer moved to ratified Resolution 2012-12, a resolution declaring the Weber Canyon Fire a local disaster emergency, seconded by Comm. Rule and carried.

PLEASANT VIEW VINEYARDS wine tasting and sales at the Farmer’s Market was discussed. The Board stated they would not allow the wine tasting being done on the premises but they had no problem with the selling of the wine as long as it is not consumed on the premises and she needs to have all necessary licensing with the City of Cortez in place.
EMPLOYEE HEARING: It being the time set aside a hearing is held on notice of intent to terminate. The hearing was recorded for the record. Comm. Chappell asked Mr. Bedker if he wished the hearing to be closed to the public or open. Mr. Bedker responded he wishes the hearing be closed. Those present during this closed hearing were Mr. Bedker, Administrator Harrison, Attorney Slough, Commissioners Chappell, Rule, and Koppenhafer and County Clerk Carol Tullis. After much consideration, Mr. Bill Bedker submitted a letter of resignation effective at 3:30 p.m. on July 2, 2012. Due to Mr. Bedker’s resignation a decision by the Board was not necessary. (Sealed record attached)

LUNCH: 12:20

PUBLIC HEARING CONTINUATION: It being the time set aside a continuation of the public hearing regarding high impact permit no. 52 for The Dog Hotel located at 33350 Hwy 184, Mancos is held. The roll was called and the hearing was recorded for the record. The hearing is to determine compliance requirements regarding the high permit and possible determination of revocation of said permit. Director Susan Carver stated there is nothing new to report at this time. Comm. Chappell opened the hearing up to public comment. Susie Baeumel said hay bales have been put in across the front and around the corner but not around the sides. She said the bales is a great start but feels it is not finished. Janice Swenson agreed with Ms. Bauemel saying she thinks it’s not a permanent fix. Rudy Baeumel said it is not going to last and eventually the noise will be a problem. Hearing no further comments, that portion was closed. Comm. Rule moved to continue this hearing until July 16, 2012 at 3:00 p.m. to give Mr. Tom Overington time to complete the work on the Dog Hotel at 33350 Hwy. 184, Mancos and to keep the barrier maintained in the future. Due to failure of Mr. Overington to appear today he will be notified of the continuance time and date. Seconded by Comm. Koppenhafer and carried. (See attached)

PLANNING: A high impact permit application for the purpose of collocation of a proposed new, unmanned, Verizon Wireless (VZW) communications facility to be located on the property and existing communications tower was presented. Agent Peter Hoops with Black & Veatch Corporation. Said facility is located at 17631 Hwy. 145, Dolores. Director Carver gave an overview of the application and Mr. Hoops was on a conference call. Director Carver is asking if a high impact permit is warranted. Mr. Hoops represented the application. Comm. Koppenhafer moved to keep the existing information provided to the Board and since no expansion of land base the height of the tower will be expanded 10’ so the high impact permit is not warranted, seconded by Comm. Rule and carried. (See attached)

FINAL PLAT: The final plat for a 2 lot subdivision as submitted by Clarence and Shirley Williams, agent Maness and Associates is presented. Said subdivision is located at 24499 Road G.1, Cortez. PUBLIC HEARING:  It being the time set aside a public hearing is held. The roll was called, the public notice read and the proceedings were recorded for the record. This hearing is to consider (1) rezoning recommendations for properties that are currently zoned HISTZ-historic use zone and (2) rezoning of properties within the commercial and (or) industrial zoning overlay areas. Said rezoning recommendations are based on their historic use and parcel size as per Section 3201 of the Montezuma County Land Use Code and to further implement the goals of the Montezuma County Comprehensive Plan. Dennis Atwater with the Planning and Zoning Commission discussed the zoning plan in detail. He talked about the public meeting held and responses from said meetings. He recommended adoption of the rezoning recommendations as presented. Planning Director Carver discussed the process and how landowners were noticed. Comm. Chappell opened the hearing to public comments. James Garlinghouse asked about how to leave his property like it is and asked about the advantages if he zones. Director Carver answered his questions. Carol Stepe said she has several parcels and only received two notices. Director Carver answered her questions. Allan Maez asked the Board not to adopt this zoning resolution. He likes the term un-zoned rather than Historical zone and does not agree with zoning of the County. Rob Pope asked if the zoning could be changed without his consent and who gave the County the authority to change it. He also wants to know why the county wishes to zone the county in the first place. Gala Pock member of the Planning and Zoning Commission said she supports zoning and asked the Board to adopt this resolution. Greg Kemp commended the Planning Office in bringing this plan to where it is today. He encouraged the Board to accept this plan. He talked about the economic benefit to said plan. Ted Saunders talked about his commercial neighbors and said this is the only time he feels he can voice his concerns with those neighbors by putting restrictions on them. Comm. Koppenhafer talked about the comprehensive plan. Bob Clayton member of the Planning and Zoning Commission said the name unzoned was changed to historic. He is employed by Kinder Morgan and he talked about the Kinder Morgan property by Mr. Saunders property saying that Kinder Morgan has not finalized the purchase of the property and said he has talked to the Saunders. He asked the Board to consider this resolution. Comm. Chappell answered some of the questions raised during the public comment period. Dennis Atwater answered other questions raised. He said the zoning could not be changed without the owner’s consent. Ruby Meredith asked about the property she owns that is an old school house and how this would affect her property. Hearing no further public comments, that portion was closed. Director Carver explained the permit and zoning process further. She talked about the process and how the Board was kept informed. Dennis Atwater talked about non-compliant properties. Comm. Koppenhafer clarified a non-compliant parcel. Comm. Chappell opened the hearing back up to public comment.
