the State Highway Department, governing the expenditures of this joint State and County Maintenancefund as set forth in their letter dated No. 25, 1922, and said letter is hereby made a part of this resolution; said letter reading as follows:

Denver, Colo. Nov. 25, 1922.

Board of County Commissioners Monteguma County, Cortez, Colorado.

Gentlemen: -

There has been awarded to your County, by the State Highway Department, the sum of \$8,000.00 from State Highway Funds, for maintenance of State Highways in your County for the year 1923, upon the following conditions:-

FIRST - That your board will, by resolution, set aside a like amount from your 1923 county read fund, thereby making a combined total of State and County funds, for maintenance, of \$16,000,00

SECOND - That the expenditure of this joint maintenance fund, on State Highways in your county, shall be made by your board, and regular monthly bills (on Form 12) rendered against the State Highway Department for all monies so expended. The State Highway Department agrees to reimburse your county to the extent of one-half of all such bills rendered, up to the amount awarded your 'county from State funds, i.e \$8,000.00.

THIPD - That all bills are to be rendered not later than the 15th of the month following the month in which work was done. Bills to be made in triplicate showing each road separately and a recapitulation of all money spent during month (on Form 12 furnished by State Highway Department) and all three copies forwarded promptly to E. E. Hatcher Assistant Superintendent of Maintenance at Durango for his approval, who after approving same will forward to this office for payment of the State's share.

FOURTH - That your County is to furnish all equipment for maintenance of State Highways in your county, without charge to The State Highway Department. The cost of any additional equipment required for proper maintenance, of said State Highways, shall come from county funds other than the amount appropriated by your Board to meet the amount awarded your county, by the State Highway Department. In other words, equipment cannot be charged to this joint State and County Maintenence fund.

FIFTH - That your Board shall furnish all labor, supplies, material and repairs to equipment, used in properly maintaining State Highways in your county and all such items charged to the joint State and County maintenence fund.

SITH - That all maintenance work on State Highways in your county, shall be su'oject to the supervision and suggestions of the maintenance representative of the State Highway Department.

SEVENTH - That a portion of the aslaries and expenses of the maintenance representtive of the State Highway Department (for your District Division) and the County Road Superintendent (of your county) are to be charged to the joint State and County Maintenance fund of your county.

OUT WEST SETG & STATE CO., COLO. SPRINGS H 5107

For example: If the Maintenance representative of the Highway Department charges your county \$40.00 as your county's share of his salary and expenses, - for each month, then you will include on Form 12, monthly, the sum of \$80.00 for salary and expense of your General County County Road Superintendent . Then you will receive back from the State's share of this joint fund \$40.00 the same as charged the county by the State Raintenance representative. Thus equalizing the charges made for supervision by both State and County.

EIGHTH - That your Board agrees to keep maintenance patrol regularly and continuously employed on the following sections of the different State Highways in your county as designated below:

Road

SECTION OF ROAD TO BE PATROLLED

No.Miles to be Patrelled

La Plata Co. to Utah State Line

NINTH- That the number of months during the year 1923 that these patrol crews shall work and the number, size and character of said patrol crews to be regularly employed, as well as the maintenance work to be done on all State Highways in your county, shall be such as shell be mutually agreed to by your Board or representative and the maintenance representative of the State Highway Department,

TENTH - All disagreements or disputes between the Board of County Commissioners and the Maintenance representative of the Highway Department shall be referred by the Supertendent of Hiantenance of the State Highway Department, to the State Highway Department Engineer, for settlement and his decision shall be final.

ELEVENTH - That money awarded your county by the State Highway Department for 1923 is not to be arbitrarily divided by you for use in certain districts and on certain specified State Highways in these Districts, but is for use where most needed, as occasion or necessity requires, on any State Highway in your county. Particular attention to be given to the maintenence of the State Highways in Article Eight having the regular patrol system of maintenance.
