For Immediate Release

Montezuma County Public Health Department received word on Saturday, March 28th, 2020, of the first positive case of COVID-19 in Montezuma County, according to Bobbi Lock, Public Health Director.

The individual resides in Montezuma County. Due to privacy laws, no more information about the infected individual will be released. Montezuma County Public Health Department is conducting contact tracing according to CDC protocols.

All Montezuma County residents should assume that the COVID-19 virus is present in the community, and will continue to spread if people do not adhere to the Stay At Home Executive Order. Carefully consider what is essential travel and limit time away from your home.
