COVID-19 Positive Cases Increase in Montezuma County

The number of confirmed cases of COVID-19 in Montezuma County has increased again, with two new cases reported today, April 4th. This brings the total positive cases to eight. The first case in Montezuma County was reported 8 days ago.

“There is no doubt in our minds that community spread is happening in Montezuma County,” said MCPHD Director Bobbi Lock. “We can’t stress enough the importance of the Stay At Home message.”

Colorado Governor Jared Polis encourages everyone to wear a mask to cover your nose and mouth when you must leave your home. MCPHD reminds people to continue with diligent handwashing and cleaning frequently-used surfaces.
