**Three New COVID-19 Positive Cases in Montezuma County**

Three new positive COVID-19 cases have been identified in Montezuma County today, bringing the total in the county to six, with one fatality. All six were identified in the last six days.

Due to privacy laws, no more information about the infected individuals will be released. Montezuma County Public Health Department is conducting contact tracing according to CDC protocols.

“Once again, this emphasizes the need for everyone to do their part in preventing the spread of COVID-19 in Montezuma County, said Bobbi Lock, MCPHD Director. “Follow the Stay at Home Order, limit your time away from home, and plan your shopping so that you can accomplish everything in one trip.”
