General Information

The aim and endeavor of the Assessor is to make a just assessment of property. This ensures that the burden of taxes is distributed equally, in accordance with the amount of property each taxpayer owns. In an effort to equalize the assessments among all property owners, this office will continue a thorough reappraisal program. We appreciate all the assistance you can offer, and thank you in advance for your cooperation with this effort.

It is the duty of the Assessor to list, as nearly as possible, all taxable property in the county, and to make an equitable assessment of the same at a value as near the actual cash value as it is possible to determine. The assessed value is then determined by applying a percentage set by state law, depending on the class of property. These values are then certified to the various levying boards.

The Assessor's office does not set any tax rates.

County tax is levied by the Board of Commissioners.

City and Town Tax is levied by City and Town Officials.

Special District Tax is levied by District Directors.

School Tax is levied by the District School Board.

After the levies are received by this office, it is the duty of the Assessor to extend the taxes upon the property as assessed, and then certify and deliver the tax roll to the County Treasurer for collection according to law.

Colorado laws require owners of revenue producing personal property and owners of producing natural resources to file a Declaration Schedule with the county Assessor each year between January 1st and April 15th.

All property, except that specifically exempted by law, is subject to taxation, and it is the responsibility of the owner to see that it is listed with the Assessor.
