SPECIAL EVENT SCHEDULE

Call office for details

RECYCLING

At this time, the landfill purchases old corrugate cardboard, old mixed paper, and plastics numbers 1 and 2 for recycling. The landfill also collects scrap metal for our local salvage yards. The landfill purchasing price of recyclable commodities is the fair market value of the commodity less the landfill's cost to process them. Because the markets fluctuate monthly please call the office in advance to check the current month's prices.

Beginning July 1, 2019

The landfill will charge an additional 30% for customers (both commercial haulers and private individuals) who do not source separate their recyclables.

The landfill is asking that at a minimum customers sort the following commodities:

- Cardboard
- Office Paper
- #1 Plastics
- Aluminum
- Tin

The landfill also suggest sorting the following:
 #2 plastics
 Newsprint

PROHIBITED ITEMS

- Biohazard Waste: medical, infectious, and radioactive (no red bag waste type allowed)
- Friable Asbestos
- Hazardous Waste
- Hot ashes (e.g. fireplaces, burn barrels)
- Lead acid batteries (e.g. car & trucks)
- Liquids: (paint, oil, septage, chemicals)

If there is a question, call the office and ask **BEFORE** trying to dispose of an item.

THERE WILL BE A FIVE THOUSAND DOLLAR (\$5,000.00) FEE FOR TRANSFER STATION CONTAINERS THAT HAVE BEEN SET ON FIRE APPROVED BY THE BOARD OF COUNTY COMMISSIONERS 4/25/2016

ELECTRONICS

By law, waste electronics and computers from residential and non-residential sources cannot be disposed of in solid waste landfills in Colorado. The following rate structure applies for recycling electronics.
