STATE LIFE LINES

State Emergency Operations Center (SEOC) Status

- Response Level 2: State EOC Activated with DHSEM Staff and Emergency Support Functions
 - Recovery Level 1: State Recovery Task Force Activated

Energy and Power Lifeline is **Yellow**
All other Lifelines are **Green**

EMERGENCY MANAGEMENT ADMINISTRATIVE REPORT

Colorado Emergency Preparedness Assessment (CEPA)

- The CEPA for 2025 is completed. Next one will be in 2028

Community Animal Response Team (CART) and Community Emergency Response Team (CERT)

- We have joined the team training together for 2026. CERT and CART will have the same monthly meetings and training held on the second Thursday of each month at 18:00 at various locations.
- This month the members had a meeting at the Volunteer Expo where we had members meet each other and assist in recruitment.
- Total Exercises and Events Deployed:
 - Volunteer Expo

Continuity of Operations Plan (COOP)

- Road and Bridge COOP completed.
- Sheriff's Office and Jail COOP will begin in the Spring of 2026.

Communications

- The inspection of the Dolores Tower site was on 5/10/24 for infrastructure upgrades. Documents submitted to USDA-FS are approved. Department of Homeland Security Grant (no match) obtained approval. Had to wait on the grant funding to re-open. RFQ was sent out for the fencing project. One vendor was selected and will begin the project April 2026.

- EM laid gravel into the parking area at the Dolores Communication Site.
- Grant submission for a new generator at the Dolores tower site through Homeland Security (SHSP) grant for \$30,800. Using a separate fiscal agent, not the county. We received the award and are waiting for final documents and approval from FEMA to begin the project.
- EM with La Plata EM developed an MOU on IPAWS to assist LaPlata County in sending an IPAWS alert in their county in an emergency. This is due to their CodeRed system is unable to send IPAWS messages out until approved by FEMA.
- EMs from Dolores, Montezuma, and Ute Mountain Ute with Dispatch have developed and signed an MOU for IPAWS to assist each other in sending out messages for each other as the need arises.
- SW Regional Infrastructure Group have been meeting for 14 months developing a strategic regional communications infrastructure plan to enhance the 800MHz system. The group is in the final stages of completion, listing the gaps in our areas with recommendations and costs. Once this is completed, we will seek funding from the federal government.
- EM began working on the SW Regional Tactical Interoperable Communications (TIC) Plan for 2026, adding San Miguel County to the document.
- EM began revising SW Communications MOU for 2026.

Emergency Management Performance Grant (EMPG):

- 2025 EMPG Grant application was submitted for \$57,103. Notice of Funding Opportunity (NOFO) came out for the same grant in July. New funding for 9 months was \$48,181.
 - 1st Qtr. reimbursement was submitted for \$21,000.12.
 - 2nd Qtr. reimbursement was submitted for \$25,064.08.
 - 3rd Qtr. reimbursement was submitted for \$22,194.68.
 - Reimbursements approved were \$33,574.78. Waiting for all three checks.
- 2025-2026 EMPG Grant Submission: 9-month funding was submitted November 25, 2025, for the last Quarter of 2025 and two quarters for 2026. This funding was for \$48,181 and will end June 30, 2026. We received State approval to move forward.
 - 1st Qtr. 2025-2026 EMPG reimbursement was submitted for \$28,111.48

Emergency Operations Center (EOC):

- Checked all equipment.
- Remodeling Alternate EOC at the Fairgrounds. EOC electronics funding from DHS is approved to move forward. Quote for equipment and installation is approved. We will begin this project in February once all the final approvals are completed by the state.

Hazard Mitigation Grant Program (HMGP):

- The EM and the State are still researching other funding opportunities through other grants and agencies. Cost of the project is projected at \$121,138.

Integrated Preparedness Plan (IPP)

- The 2026 IPP/TEP workshop was on January 15th with stakeholders. EM is making changes suggested. Another meeting will be scheduled in March to review changes made.

Local Emergency Planning Committee (From LEPC Chair):

- Local and Regional Emergency Planning Committee meetings were held this month. One Local and regional meeting held together this month.
- Inspections of facilities for the year completed: None

Southwest All Hazards Advisory Council (SWAHAC):

- EM has been approved for no-match grants. These grants do not pass through the County for financial support or approval. They are an outside fiscal agent.
- Status on the projects are:
 - Communication Tower Infrastructure – \$21,040. RFQ fence and gate project will begin April 2026.
 - Alternate EOC electronics – \$29,269. Project will begin February.
 - CERT training and equipment – \$7,570. Equipment will be purchased in June for new members starting in the fall.
 - SW Regional Exercise – \$15,000. This will be discussed at the SWAHAC Board meeting in February.
 - SHSP Generator grant - \$30,800 approved, waiting on final documentation and FEMA approval.

Training/Drills:

- EM had employee training on Emergent 3 Alert and Warning system for IT
- EM working with CISA and County entities on Cyber Security Exercise Planning.
- EM attended TLO Training on Outlaw Motorcycle Gangs on 1/21/26
